Re: Letter of Recommendation for Colorado Designscapes

To Whom It May Concern:

It is with great pleasure that I offer this letter of recommendation on behalf of Colorado Designscapes. During my association with Colorado Designscapes, I have seen firsthand the impact of their dedicated staff in providing Denver Public Schools quality service, attention to detail and exceptional construction management that has provided the district projects we can be proud of. Additionally, Colorado Designscapes is committed to meeting contractual deadlines – even with owner directed changes.

I can't over-emphasize the positive focus and team play that Colorado Designscapes has established. Their confidence and commitment to their awarded projects make them an outstanding candidate to any organization looking for quality construction. Based on the service provided to DPS, I do not hesitate to recommend Colorado Designscapes for projects.

I would be more than happy to discuss any issues raised in this letter or to answer any questions you may have.

Respectfully,

A handwritten signature in blue ink, appearing to read "Troy A. Garner".
